"Common sense" also has at least two specifically philosophical meanings. One is a capability of the animal soul (ἡ ἀνοητικὴ ψυχή, psakhá, —) proposed by Aristotle, which enables different individual senses to collectively perceive the characteristics of physical things such as movement and size, which all physical things have in different combinations, allowing people and other animals to ...

Common Sense was a pamphlet written by Thomas Paine in 1775–76 advocating independence from Great Britain to people in the Thirteen Colonies. Written in clear and persuasive prose, Paine marshaled moral and political arguments to encourage common people in the Colonies to fight for egalitarian government. It was published anonymously on January 10, 1776, at the beginning of the American ...

When I wrote Don't Make Me Think, my intent was to help people learn to think like a usability expert: to ask the same questions that I have in mind when I'm trying to make something more usable.. I believed that with a little bit of instruction most people could do a lot of what I do themselves, since much of it just seems like common sense once you hear it explained.
