

corporate finance by ross pdf

Corporate finance is an area of finance that deals with sources of funding, the capital structure of corporations, the actions that managers take to increase the value of the firm to the shareholders, and the tools and analysis used to allocate financial resources. The primary goal of corporate finance is to maximize or increase shareholder value.

Corporate social responsibility (CSR, also called corporate sustainability, sustainable business, corporate conscience, corporate citizenship or responsible business) is a type of international private business self-regulation. While once it was possible to describe CSR as an internal organisational policy or a corporate ethic strategy, that time has passed as various international laws have ...
