Employment discrimination is a form of discrimination based on race, gender, religion, national origin, physical or mental disability, age, sexual orientation, and gender identity by employers. Earnings differentials or occupational differentiationâ€”where differences in pay come from differences in qualifications or responsibilitiesâ€”should not be confused with employment discrimination.

Numeracy is the ability to reason and to apply simple numerical concepts. Basic numeracy skills consist of comprehending fundamental arithmetics like addition, subtraction, multiplication, and division. For example, if one can understand simple mathematical equations such as, $2 + 2 = 4$, then one would be considered possessing at least basic numeric knowledge.
