Hamlet Summary - eNotes.com

African-American literature is the body of literature produced in the United States by writers of African descent. It begins with the works of such late 18th-century writers as Phillis Wheatley. Before the high point of slave narratives, African-American literature was dominated by autobiographical spiritual narratives.

I'm not sure it's exactly the same concept, but John Holbo termed this thing "the two-step of terrific triviality" here. I'm sure "motte-and-bailey doctrine" is a better term to promote for actual use, since it sounds serious and important, while it's hard to say "the two-step of terrific triviality" with a straight face.
