

# DOWNLOAD IMPLEMENTATION AND WORLD POLITICS HOW INTERNATIONAL NORMS CHANGE PRACTICE

## **implementation and world politics pdf**

A significant amount of international relations scholarship examines the role of international norms in world politics. Existing work, though, focuses mainly on how these norms emerge and the process by which governments sign and ratify them.

## **Implementation and World Politics: How International Norms**

It is the lack of available answers to questions like these that led Alexander Betts and Phillip Orchard, the editors of *Implementation and World Politics: How International Norms Change Practice*, to formulate a conceptual framework around the institutionalization-implementation gaps relating to some international norms. They argue that ...

## **Implementation and World Politics: How International Norms**

In order to address this analytical gap, the book develops an original conceptual framework for understanding the role of implementation in world politics. It applies this framework to explain variation in the impact of a range of people-centred norms relating to humanitarianism, human rights, and development.
