standings of mediaâ€“environmentalist relations and explains the dynamics of the mediation process that determines how protests are reported. Castellsâ€™™ tap-dancing metaphor is a useful analytical tool.

Media, Culture & Society - MIT Media Lab

media because this contrast has been important to the history and development of mass media studies and because it remains a source of distinctive differences in the conceptualization of the media and of society generally. At the same time, the reader also makes clear significant differences within the Marxist tradition of

Culture, Society and the Media - Membaca-Berdiskusi-Menulis

Media, Culture & Society provides a major international, peer-reviewed forum for the presentation of research and discussion concerning the media, including the newer information and communication technologies, within their political, economic, cultural and historical contexts. It regularly engages with a wider range of issues in cultural and social analysis.
