The following is a table of songs recorded by the Beatles. While Bill Wyman of Vulture.com lists a set 213 Beatles compositions, there are a total of 311 songs listed on this page, with 69 of them being cover songs and 242 being original compositions.. The columns Title, Year, and Album debut list each song title, the year in which the song was recorded, and album(s) on which the song ...

List of songs recorded by the Beatles - Wikipedia

"Tomorrow Never Knows" is a song by the English rock band the Beatles. It was released in August 1966 as the final track on their album Revolver, although it was the first song recorded for the LP. Credited as a Lennon–McCartney song, it was written primarily by John Lennon. The song marked a radical departure for the Beatles, as the band fully embraced the potential of the recording studio ...
